DIMENSIONS
OF EARLY CHILDHOOD

Volume 20 Index

Authors

Bauer, Mary B. & Salvador, Maria B. Information to go: The library in the community. No. 2 (Winter 1992), 9-10. Library services available to early childhood teachers and caregivers.

Carter, Rosalynn and Bumpers, Betty F. We must immunize every child by two. No. 2 (Winter 1992), 5-6. Urging child advocates to promote immunization of “every child by two.”

Castle, Kathryn & Wilson, Elaine. Creativity is alive in outdoor play!; Children solve problems as they invent games on the playground. No. 4 (Summer 1992), 11-14, 39. How time to invent games supports children’s development; suggestions for practice.

Coleman, Mick. “Caring for preschoolers with the HIV virus.” No. 1 (Fall 1991), 14-16, 38. Health practices for centers, social and emotional needs of children with HIV virus.

Frost, Joe L. Reflections on research and practice in outdoor play environments. No. 4 (Summer 1992), 6-10, 40. Review of research on playground design and child development as it relates to outdoor play.

Griffin, Sherri. Wondering about trees; Playground discoveries can lead to new learning. No. 4 (Summer 1992), 31-34. Various learning activities related to trees and nature.

Guddemi, Marcy & Eriksen, Aase. Designing outdoor learning environments for and with children. No. 4 (Summer 1992), 15-18, 23-24, 40. How outdoor play “zones” support intellectual, social, emotional, and physical development; how children can participate in designing outdoor play environments.

Hale, Janice E. Dignifying black children’s lives. No. 3 (Spring 1992), 8-9, 40. An excerpt of an address to the 1991 conference of the Southern Association on Children Under Six.

Honig, Alice Sterling. “Dancing” with your baby means sometimes leading, sometimes following. No. 3 (Spring 1992), 11-17. Advice to parents on supporting infants’ and toddlers’ development.

Karges-Bone, Linda. Blocks are not (circle all): Messy, expensive, difficult; Every child deserves time to play with blocks.” No. 1 (Fall 1991), 5-7, 37. Ten reasons to use blocks in primary classrooms.

Levy, Ann. Pull them back from the cliff. No. 1 (Fall 1991), 4. President’s message in favor of developmentally appropriate, child-centered primary practices.

Levy, Ann. The “R” word. No. 3 (Spring 1992), 4. President’s message on the national goal that all children will be “ready” for first grade.

Levy, Ann. Succumb to nature. No. 4 (Summer 1992), 4. President’s message on supporting young children’s outdoor play and learning.

Lovelace-Chandler, Venita. Injury and ill-

EDITOR’S NOTE

The journal’s name was expanded from Dimensions to Dimensions of Early Childhood with Number 3 of Volume 20.
McLean, Deborah L. Mills and Clyde on whole language, plus war play and social
skills. No. 1 (Fall 1991), 28. A review of
Portraits of Whole Language Class-
rooms: Learning for All Ages by H. Mills
& J. A. Clyde.
Mills, Heidi & Clyde, Jean Anne. Using art
and mathematics to tell a story. No. 3
(Spring 1992), 28-29, 40. The first in a
series of articles called "Learning Math."
Nichols, Ronnie. Drawing from life; Help-
ing children preserve culture through art.
No. 3 (Spring 1992), 5-7. An artist dis-
cusses ways to support young children's
creativity and culture.
Schultz, Tom & Lombardi, Joan. Caring
communities; Supporting young children
A summary of the report of the National
Task Force on School Readiness.

ground safety. Washington, D.C.: Au-
thor. No. 4 (Summer 1992), 38-39.

Growing and Learning
Ideas for Teachers
of Young Children

By Jean M. Shaw

Young children learn through active
involvement and concrete experiences as
well as through dialogues about their
experiences. This resource book for teach-
ers of four- to six-year-olds offers work-
able guidelines for thematic curriculum
units, social learning, language develop-
ment, math, and science. 87 pages, illus-
trated.

$8/SACUS members/$10 others. Send
check or purchase order to SACUS, P.O.
Box 5403, Little Rock, AR, 72215-5403.

Visit exciting primary classrooms in
Kentucky, Tennessee, Mississippi,
Arkansas, and Texas -- by reading
Explorers' Classrooms! First-hand
reports and candid photographs from
the classrooms of some of the South's
most innovative kindergarten
and primary teachers!
